## REMODELED HOWARD DRUG TO HOLD GRAND OPENING

The grand opening celebration at Howard Drug Co. will be held Friday and Saturday at the newly remodeled store at 310 South Central. C. L. Howard, owner said this week that registration for five prizes would be held Friday and Saturday with the drawing at 4 p.m. Saturday. Those who register do not need to be present to win.

The exterior of the building has been completely remodeled and the offices of J. E. Patterson, City Judge, and W. Theo Johnson were moved to the rear of the building and the space they formerly occupied was made a part of the drug store.

The front of the offices and the drug store have been covered with porcelain panels. The side of the building has been plastered and painted.

The remodeling started March 1 with the removal of the entire second floor of the building. Improvements to the exterior also include a new roof, new glass front which brings the store entrance up flush with the building, anodized

aluminum awnings and full length glass doors.

The interior remodeling includes a new suspended ceiling of Celotex acoustical tile, added storage space, all new electrical wiring, repainting walls and the addition of refrigerated air conditioning and central heating systems.

Howard purchased the store April 18, 1950, from Mrs. John Ed (Winnie) Day. The drug store originally established in 1907 by Joe Bowen, who was joined in 1913 with a partner, Harry Dollman. The store was then sold to a Mr. Newsom in 1920 and later sold in 1924 to a Mr. Wright and a Mr. Gleaves. In 1926 Starr Inzer became the owner until 1945.

Howard moved here from Quanah where he was a partner in the Johnson and Howard Pharmacy.

A native of De Leon, he was graduated from Howard Payne in Brownwood in 1942. He went directly into the Navy and served in the Pacific Theatre of operations. After his discharge in 1946 he attended the University of Texas College of Pharmacy and was graduated in 1947 with high honors.

Mr. and Mrs. Howard and family live at 515 West Lake Drive. They are members of the First Baptist Church.

The grand opening celebration this week end will also mark the changing to a new name for the business. Formerly Howard City Drug it will now be operated as Howard Drug Company. Free coffee, ice cream and candy will be served Saturday. Howard said, "The public is cordially invited to stop by and also register for the free prizes."

## JUDGE TO CONTACT TAXING UNITS ON RE-EVALUATION

Each taxing unit in Jones County will be contacted this week by County Judge Leon Thurman in an effort to set up a comprehensive plan for a tax re-evaluation program within the county.

The meeting with representatives of each municipality, school district and the county commissioners is expected to be held either Friday or Monday.

Stamford City Council has already expressed willingness

to cooperate with the re-evaluation program.

Meeting in a regular session at the courthouse Monday afternoon, the commissioners also re-elected all election judges who served in the last election to serve in the general election the second Tuesday in November. They also appointed Earl McCaleb as county surveyor, subject to his posting a bond and meeting other qualifications.

The new county surveyor replaces his father, the late Lee McCaleb, whose death recently created the vacancy.

The November general election will have only three constitutional amendments on the ballot for voters to adopt or reject.

Appointment of the election judges for the 26 boxes in the county brought about considerable discussion by the commissioners about the high cost of holding elections. Cost for holding the November election will be paid by the county and in some places where as few as 10 votes are cast, cost for each vote is more than \$5.

In county-wide elections, election officials are paid by office seekers.

## Some County Offices Closed Over Fourth

Some county offices were closed last Friday, but Jones County Commissioners meeting Monday afternoon emphasized that they had not ordered the offices closed and that such closing was done by the individual office holders.

The courthouse was open Friday, the day after the Fourth of July Holiday, but offices of the tax assessor-collector, county clerk and county attorney were closed, according to the commissioners.

## THOSE PESKY COONS ARE FINALLY CAUGHT

The Fairview folks have big news this morning, not the weather, not the crops, nor company or visiting, but this concerns the pesky coons that have been residents of our church house for several years. Saturday was coon extinction day, for Saturday morning some were killed, then that afternoon the remainder were killed and captured. In all, seven have been caught, three adults and four young ones, so we are certainly hoping that is all of them, for they have certainly made a nuisance of themselves. In the near future the church will be fixed, trying to keep them out.

No rain has fallen the past week, in fact people are beginning to wish for some showers. Most farmers are about up with their work and crops are doing fine.

The Rev. and Mrs. Kenneth Leverett reported having a wonderful time at the Evangelistic Conference last week.

Mrs. O. L. Jenkins, Hamlin, and son, Rev. John Jenkins of Flagstaff, Arizona, were out in our community last week looking over old scenes, visiting the cemetery and the church house. Rev. Jenkins and family were visiting their mothers, Mrs. Jenkins and Mrs. Harbert, both of Hamlin, and

other relatives. The Jenkins are moving to Spur where he will be the pastor at the First Baptist Church.

Mrs. Doyle Combs and children, spent last Wednesday with the Woodrow Goodwins. Rev. Combs, former pastor of our church, now pastor of the Calvary Baptist Church in Andrews, is spending four weeks this summer attending the Seminary in Fort Worth. He was to have returned to Sweetwater Thursday night, where they were to have their daughter, Brenda's tonsils out Friday morning.

There was a pleasant surprise at prayer services Wednesday night when the former pastor, Rev. Derrel Lewis and children, spent the holiday in our vicinity with their parents.

Linda Goodman spent Friday night with Suzanne Wickler, then Suzanne stayed until Sunday afternoon with her, being a visitor in church services Sunday morning.

Mr. and Mrs. Jack Wicker and Tina, visited with the

Woodrow Goodwins Sunday afternoon, when they came for their daughter, Suzanne.

Mr. and Mrs. E. A. Henry and Mr. and Mrs. Fred Rosenbaum ate lunch with Mr. and Mrs. Joe Ford, Sunday.

Mr. and Mrs. H. L. Ford are very busy remodeling their house, on their farm which they purchased from Mr. Fletcher. The inside will be changed up with two new rooms being added.

Mr. and Mrs. Jimmy Henry and two daughters, from Houston, visited with their parents, Mr. and Mrs. E. A. Henry, from Tuesday until Friday of last week.

Mrs. Woodrow Goodwin and Linda and Mrs. Elmer Joiner, went to Abilene last Monday.

Next Tuesday week, being the 16th, has been set as the day to clean up the church, clean off the grounds and try to stop around the house so the coons cannot get in again. This is usually an annual affair, being done each year just before revival time.

Revival time is almost here again, being set for August 9, through the 18. It isn't too soon to begin inviting people to attend, for we are hoping to have good crowds with lots of visitors.

# Labeled for PROTECTION

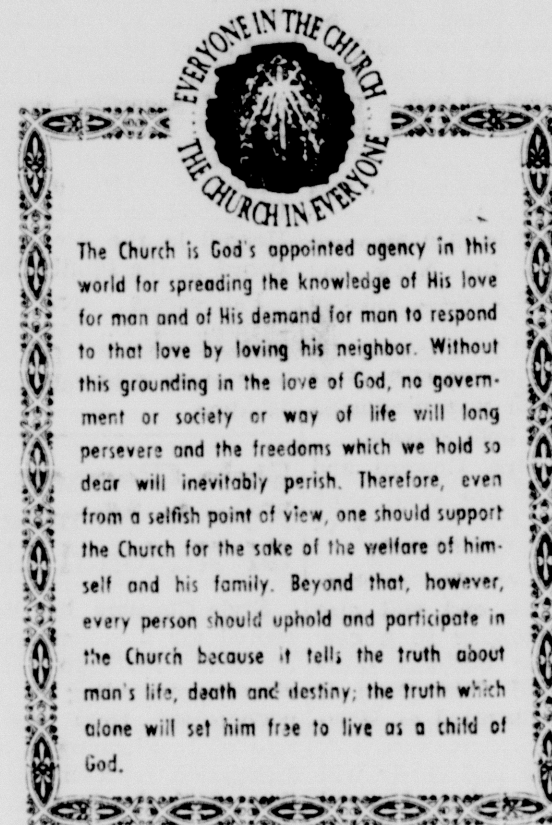

Some medicines may be taken internally; others are for external use only; therefore labels caution us as to their proper use. These precautions are for our own protection and good.

All things in life are not so clearly marked as to their proper use. The Bible is our source and guide, our label.

*Thy word is a lamp unto my feet, and a light unto my path.*

Psalm 119, 105

ATTEND CHURCH, STUDY GOD'S WORD

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

West Texas Utilities Company

Corvair 700 Club Coupe

The hardest part about parking a Corvair is finding a nickel

That may be a slight overstatement, but such jauntiness comes easily when you're a Corvair owner.

And you can usually back it up—as easily as you can back up a Corvair. You'll find yourself doing that occasionally, if only to adjust the brakes—they're self-adjusting. That's all there is to it, and that's a good example of how delightfully easy Corvair is to own, drive and maintain.

But since we began by talking about driving, let's stick with that awhile. A large factor in the fun of driving a Corvair is the location of its engine in

the rear. Why the rear? It gives Corvair extra traction on any road surface. It provides a nearly flat floor for more useable interior space. Best of all, it produces steering so light, so responsive, you wonder why no other American-made car thought of it.

Corvair's engine is also air cooled, we might add, which means there's no anti-freeze or water for you to add. Ever.

All that pleasure from adding so practical almost makes you think Corvair is unique among American cars. Which isn't surprising, because it is!

## JOYNER - BAYCUTH VOWS EXCHANGED IN CORPUS, JULY 7

Barbara Ann Joyner, daughter of Mr. and Mrs. William H. Joyner, 913 Erwin, Corpus Christi, became the bride of Dr. Ed Frank Bayouth, son of Mr. and Mrs. F. E. Bayouth, 30 Harvard Place, Abilene, on Sunday, July 7.

The ceremony was held at Forrest Park Baptist Church at

5:00 p.m. The wedding was conducted by Rev. John C. Jackson. The church was decorated with white gladioli, white stock and greenery.

The bride, who was given in marriage by her father, wore a ballerina length gown of chantilly lace, fashioned with a

long, sculptural bodice. The sabrina neckline was formed by a natural edging of the lace. The front drape of the full skirt was highlighted by a handmade rose of lace. The back of the skirt featured tiers of tulle. Her shoulder length pouf veil flowered from a small pill box of chantilly lace, seed pearls and sequins. Her bouquet was a crescent arrangement of white orchids.

Her maid of honor, Barbara Lynn McMillan, of Corpus Christi, chose a pink lace sheath fashioned with a draped overskirt of the lace. Her headpiece was a small pink veiled circlet. She carried pink roses, arranged in a crescent.

Dr. Bayouth's brother, La Noard Bayouth, served as his best man. Ushers were Dr. G. C. Coates, Dr. Clinton Craven, Dr. A. A. Kopecky and William S. Joyner.

A reception at the home of the bride's parents followed the ceremony.

After a wedding trip to Mexico City, Dr. and Mrs. Bayouth will make their home in Floydada.

Mrs. Bayouth is a graduate of Roy Miller High School, and attended Del Mar College. Dr. Bayouth was graduated from Snyder High School, Texas Tech, and the University of Texas School of Medicine.

Attending the wedding from Hamlin were Mr. and Mrs. James Wright, Mrs. Ray Sonnenburg sister of the bridegroom, and Mr. and Mrs. Bayouth, of Abilene, former Hamlin residents.

## REMODELED HOWARD DRUG TO HOLD GRAND OPENING

The grand opening celebration at Howard Drug Co. will be held Friday and Saturday at the newly remodeled store at 310 South Central. C. L. Howard, owner said this week that registration for five prizes would be held Friday and Saturday with the drawing at 4 p.m. Saturday. Those who register do not need to be present to win.

The exterior of the building has been completely remodeled and the offices of J. E. Patterson, City Judge, and W. Theo Johnson were moved to the rear of the building and the space they formerly occupied was made a part of the drug store.

The front of the offices and the drug store have been covered with porcelain panels. The side of the building has been plastered and painted.

The remodeling started March 1 with the removal of the entire second floor of the building. Improvements to the exterior also include a new roof, new glass front which brings the store entrance up flush with the building, anodized

aluminum awnings and full length glass doors.

The interior remodeling includes a new suspended ceiling of Celotex acoustical tile, added storage space, all new electrical wiring, re-painting walls and the addition of refrigerated air conditioning and central heating systems.

Howard purchased the store April 18, 1950, from Mrs. John Ed (Winnie) Day. The drug store originally established in 1907 by Joe Bowen, who was joined in 1913 with a partner, Harry Dollman. The store was then sold to a Mr. Newsom in 1920 and later sold in 1924 to a Mr. Wright and a Mr. Gleaves. In 1926 Starr Inzer became the owner until 1945.

Howard moved here from Quanah where he was a partner in the Johnson and Howard Pharmacy.

A native of De Leon, he was graduated from Howard Payne in Brownwood in 1942. He went directly into the Navy and served in the Pacific Theatre of operations. After his discharge in 1946 he attended the University of Texas College of Pharmacy and was graduated in 1947 with high honors.

Mr. and Mrs. Howard and family live at 515 West Lake Drive. They are members of the First Baptist Church.

The grand opening celebration this week end will also mark the changing to a new name for the business. Formerly Howard City Drug it will now be operated as Howard Drug Company. Free coffee, ice cream and candy will be served Saturday. Howard said, "The public is cordially invited to stop by and also register for the free prizes."

## JUDGE TO CONTACT TAXING UNITS ON RE-EVALUATION

Each taxing unit in Jones County will be contacted this week by County Judge Leon Thurman in an effort to set up a comprehensive plan for a tax re-evaluation program within the county.

The meeting with representatives of each municipality, school district and the county commissioners is expected to be held either Friday or Monday.

Stanford City Council has already expressed willingness

to cooperate with the re-evaluation program.

Meeting in a regular session at the courthouse Monday afternoon, the commissioners also re-elected all election judges who served in the last election to serve in the general election the second Tuesday in November. They also appointed Earl McCaleb as county surveyor, subject to his posting a bond and meeting other qualifications.

The new county surveyor replaces his father, the late Lee McCaleb, whose death recently created the vacancy.

The November general election will have only three constitutional amendments on the ballot for voters to adopt or reject.

Appointment of the election judges for the 26 boxes in the county brought about considerable discussion by the commissioners about the high cost of holding elections. Cost for holding the November election will be paid by the county and in some places where as few as 10 votes are cast, cost for each vote is more than \$5.

In county-wide elections, election officials are paid by office seekers.

## THOSE PESKY COONS ARE FINALLY CAUGHT

The Fairview folks have big news this morning, not the weather, not the crops, nor company or visiting, but this concerns the pesky coons that have been residents of our church house for several years. Saturday was coon extinction day, for Saturday morning some were killed, then that afternoon the remainder were killed and captured. In all, seven have been caught, three adults and four young ones, so we are certainly hoping that is all of them, for they have certainly made a nuisance of themselves. In the near future the church will be fixed, trying to keep them out.

No rain has fallen the past week, in fact people are beginning to wish for some showers. Most farmers are about up with their work and crops are doing fine.

The Rev. and Mrs. Kenneth Leverett reported having a wonderful time at the Evangelistic Conference last week.

Mrs. O. L. Jenkins, Hamlin, and son, Rev. John Jenkins of Flagstaff, Arizona, were out in our community last week looking over old scenes, visiting the cemetery and the church house. Rev. Jenkins and family were visiting their mothers, Mrs. Jenkins and Mrs. Harbert, both of Hamlin, and

other relatives. The Jenkins are moving to Spur where he will be the pastor at the First Baptist Church.

Mrs. Doyle Combs and children, spent last Wednesday with the Woodrow Goodwins. Rev. Combs, former pastor of our church, now pastor of the Calvary Baptist Church in Andrews, is spending four weeks this summer attending the Seminary in Fort Worth. He was to have returned to Sweetwater Thursday night, where they were to have their daughter, Brenda's tonsils out Friday morning.

There was a pleasant surprise at prayer services Wednesday night when the former pastor, Rev. Derrel Lewis and family, from Lubbock, walked in for a visit. Coming down for the fourth with his family, the Johnny Lewises, visited in our community some also.

Mr. and Mrs. Jimmy Joiner and children, spent the holiday in our vicinity with their parents.

Linda Goodman spent Friday night with Suzanne Wickert, then Suzanne stayed until Sunday afternoon with her, being a visitor in church services Sunday morning.

Mr. and Mrs. Jack Wicker and Tina, visited with the

Woodrow Goodwins Sunday afternoon, when they came for their daughter, Suzanne.

Mr. and Mrs. E. A. Henry and Mr. and Mrs. Fred Rosenbaum ate lunch with Mr. and Mrs. Joe Ford, Sunday.

Mr. and Mrs. H. L. Ford are very busy remodeling their house, on their farm which they purchased from Mr. Fletcher. The inside will be changed up with two new rooms being added.

Mr. and Mrs. Jimmy Henry and two daughters, from Houston, visited with their parents, Mr. and Mrs. E. A. Henry, from Tuesday until Friday of last week.

Mrs. Woodrow Goodwin and Linda and Mrs. Elmer Joiner, went to Abilene last Monday.

Next Tuesday week, being the 16th, has been set as the day to clean up the church, clean off the grounds and try to stop around the house so the coons cannot get in again. This is usually an annual affair, being done each year just before revival time.

Revival time is almost here again, being set for August 9, through the 18. It isn't too soon to begin inviting people to attend, for we are hoping to have good crowds with lots of visitors.

Some medicines may be taken internally; others are for external use only; therefore labels caution us as to their proper use. These precautions are for our own protection and good.

ATTEND CHURCH, STUDY GOD'S WORD

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

FROM LAST WEEK

The Old Glory Variety Club met with Mrs. A. R. Sawyers last week with eleven members and one visitor, Mrs. Willie Fletcher, present. Table games were played and the hostess served a delicious refreshment plate. The next meeting was to be at the home of Mrs. Garrett Spitzer on July 9. Date for the club picnic was set Friday, July 12.

4-H

Old Glory 4-H club girls entered a float in the parade Tuesday at Stamford. They have participated the past two years in this parade. Each year the girls have planned, decorated, and ridden on the float. They have assistance from the fathers in the frame construction on the trailer. Adult leaders are Mrs. C. T. Pierce and Mrs. Oren Baldree.

Miss Sharon Leverett, Stonewall County 4-H'er, attended the State 4-H Council planning meeting in Houston last week as a delegate from District 3. District 3 was also represented by Tony Quisenberry of Quanah. Miss Leverett was elected Information Chairman for the State Council for this coming year.

Corvair 700 Club Coupe

The hardest part about parking a Corvair is finding a nickel

That may be a slight overstatement, but such jauntiness comes easily when you're a Corvair owner.

And you can usually back it up—as easily as you can back up a Corvair. You'll find yourself doing that occasionally, if only to adjust the brakes—they're self-adjusting. That's all there is to it, and that's a good example of how delightfully easy Corvair is to own, drive and maintain.

But since we began by talking about driving, let's stick with that awhile. A large factor in the fun of driving a Corvair is the location of its engine in

the rear. Why the rear? It gives Corvair extra traction on any road surface. It provides a nearly flat floor for more useable interior space. Best of all, it produces steering so light, so responsive, you wonder why no other American-made car thought of it.

Corvair's engine is also air cooled, we might add, which means there's no antifreeze or water for you to add. Ever.

All that pleasure from something so practical almost makes you think Corvair is unique among American cars. Which isn't surprising, because it is!

### JOYNER - BAYCUTH VOWS EXCHANGED IN CORPUS, JULY 7

Barbara Ann Joyner, daughter of Mr. and Mrs. William H. Joyner, 913 Erwin, Corpus Christi, became the bride of Dr. Ed Frank Bayouth, son of Mr. and Mrs. F. E. Bayouth, 30 Harvard Place, Abilene, on Sunday, July 7.

The ceremony was held at Forrest Park Baptist Church at 5:00 p.m. The wedding was conducted by Rev. John C. Jackson. The church was decorated with white gladioli, white stock and greenery.

The bride, who was given in marriage by her father, wore a ballerina length gown of chantilly lace, fashioned with a

long, sculptural bodice. The sabrina neckline was formed by a natural edging of the lace. The front drape of the full skirt was highlighted by a handmade rose of lace. The back of the skirt featured tiers of tulle. Her shoulder length pouf veil flowered from a small pill box of chantilly lace, seed pearls and sequins. Her bouquet was a crescent arrangement of white orchids.

Her maid of honor, Barbara Lynn McMillan, of Corpus Christi, chose a pink lace sheath fashioned with a draped overskirt of the lace. Her headpiece was a small pink veiled circlet. She carried pink roses, arranged in a crescent.

Dr. Bayouth's brother, La Noard Bayouth, served as his best man. Ushers were Dr. G. C. Coates, Dr. Clinton Craven, Dr. A. A. Kopecky and William S. Joyner.

A reception at the home of the bride's parents followed the ceremony.

After a wedding trip to Mexico City, Dr. and Mrs. Bayouth will make their home in Floydada.

Mrs. Bayouth is a graduate of Roy Miller High School, and attended Del Mar College. Dr. Bayouth was graduated from Snyder High School, Texas Tech, and the University of Texas School of Medicine.

Attending the wedding from Hamlin were Mr. and Mrs. James Wright, Mrs. Ray Sonnenburg sister of the bridegroom, and Mr. and Mrs. Bayouth, of Abilene, former Hamlin residents.

## HEIDENHEIMER'S

## FIRST METHODIST HAPPENINGS

A Summer Seminar for the Methodist Youth Fellowship of the First Methodist Church was held Sunday through Wednesday, June 30-July 3, using the theme, "Witnessing for Christ."

A covered dish supper was held on Sunday attended by the Junior High and Senior MYF groups, their parents, teachers and workers with youth. Following the supper the Junior High and Senior groups met separately for their pledge services. Then the youth conducted the Sunday evening Worship Service in the sanctuary with Gary Cauble, Sr. President, in charge. Mike Shivers led the responsive reading and Jimmy Hawkins read the Scripture. The youth choir sang "Give of Your Best To The Master." Rev. Womack preached on the subject "A Faith That Redeems."

Monday, Tuesday and Wednesday evenings the youth met for study, recreation, cake time, singing and to discuss the purpose of the MYF and its officers.

Senior MYF teachers and their subjects were: Rev. Royce Womack, "On Being a Disciple"; Mr. and Mrs. Bill Davis, "Discipleship Through Bible Study and Prayer" and Wesley Nail, "A Maturing Faith."

The Junior High MYF studied "What is Success—to Junior Highs"—"to others" and "What is Success—The Christian Criteria." Mrs. W. W. Morgan was teacher for these sessions.

The youth sold tickets for ice cream and cake which was served Wednesday evening on the church lawn from 6:30 to 7:30 p.m. The proceeds will be used for the missionary project of the church.

The youth attended the Senior sessions were: Gary Cauble, Mike Shivers, George Bonds, Jim Bonds, Jimmy Hawkins, Scotty Brown, Pamela Smith, Margaret Ann Johnson, Jean Marie Young, Eileen Womack, Jo Ellen Duncan, Sherry Lynn Witt and visitors were Debbie Ferguson, Lewis Lawlis, Ronnie Stice, Vicki Newland, and Alan Cumble.
